Happy New Year! As you may know, the Quincy United Soccer Club has been developing young soccer players for several years now. There are over 300 Quincy area youth involved with our club. As evidenced by the continued success of the boys and girls soccer programs at QHS and QND, there is no doubt that our club has had a positive influence on the young people of our community.

Last year our teams had great success while playing some of the top clubs in Missouri, Illinois and Iowa. Our teams finished with a combined record of 127-18-31. The success of our club has caught the attention of some of the top clubs in the United States. We invite you to come out and observe these fine young men and women as they develop into not just great athletes, but future leaders of our community.

The Quincy United Soccer Club is looking for sponsors for 2 upcoming tournaments; its annual indoor tournament on **February 13th and 14th** and its annual outdoor tournament on **May 15th & 16th**. Attached you will find a number of ways to participate in a great dual sponsorship opportunity for hundreds of local athletes as well as hundreds of regional visitors to our area. These two tournaments will bring in over 100 teams, making a huge impact on the Quincy economy thru hotel stays, restaurant bills, shopping, entertainment, and general exploration of our marketplace. Please consider this great dual sponsorship opportunity.

I will be calling you shortly to confirm your participation in this great opportunity. If you've already decided, please submit your **sponsorship form by January 20, 2010 to the address above.**

Thank you for your time and consideration.
